Story of History: 20th Century*	Boydston, A	Tu-Th 12:30 PM	Introduction to Earth Science***	Wentworth, C	Mo-We 11:00 AM
			Introduction to Earth Science***	Wentworth, C	Mo-We 12:30 PM
			Introduction to Earth Science***	Wentworth, C	Tu-Th 9:30 AM
			Introduction to Earth Science***	Wentworth, C	Tu-Th 2:00 PM

*Story of History: Making of America serves as a 3rd or 4th grade course which can be taken prior to taken the new three-part history series.

Story of History: 20th Century is appropriate for 6th and 7th grade.

**These two new courses are the first two in a three-part history curriculum covering Creation to the 20th Century. The third course in the series, Story of History: Modern, will be offered 2023-24.

***This course is intended for 6th grade.

The Grammar of Science courses are not specific to a particular grammar school grade.

Preliminary Schedule - Subject to changes if necessary

New sections are highlighted in green. Teacher and time changes/corrections are represented with blue font. Dropped sections are highlighted in gray and are crossed through.
